

STREET TREES AND PLANTERS - "City In The Forest"

EXISTING CONDITIONS ON MAIN STREET

NEW STRATEGIES - Greening Opportunities on Main Street

- durable, high quality materials
- signature elements respond to placemaking

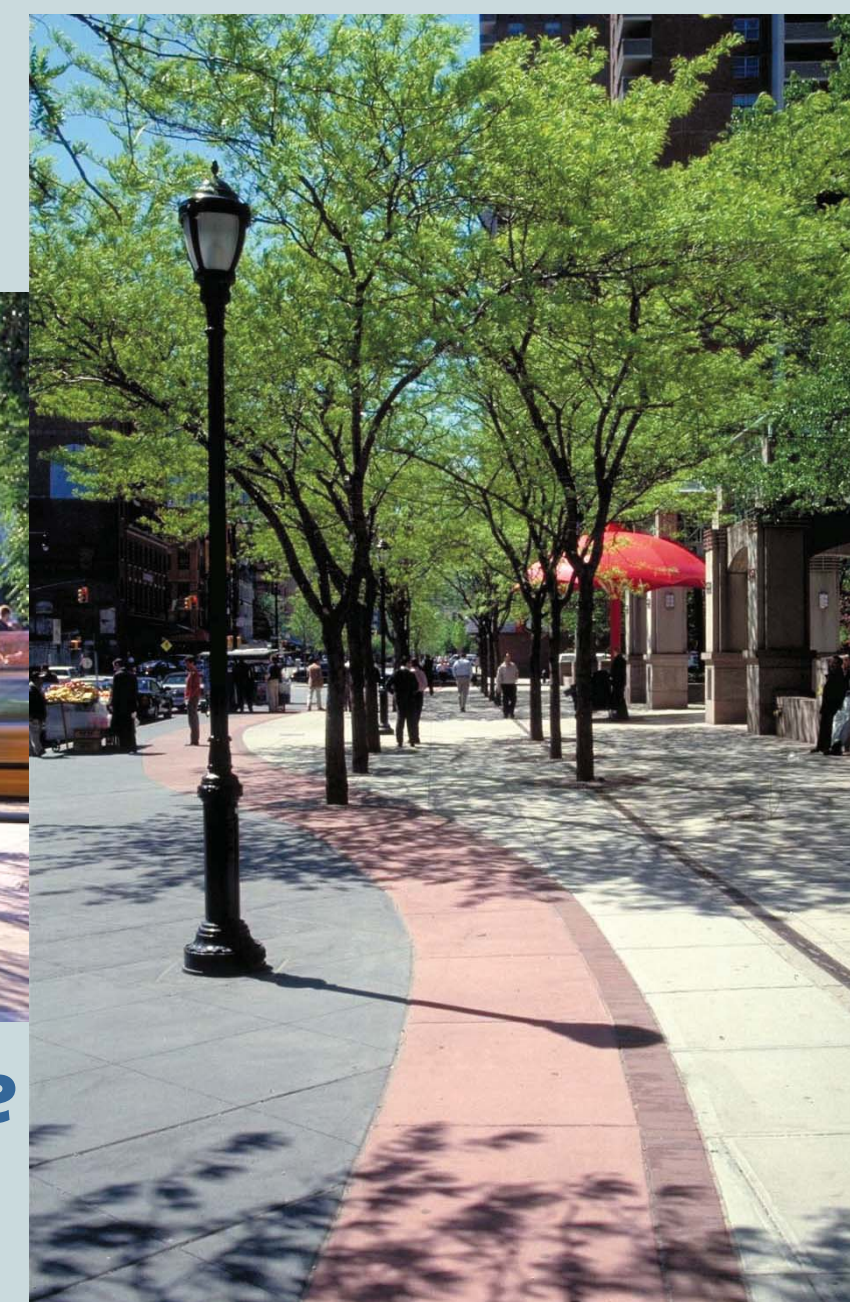

Planter boxes constrain tree growth

Empty zones

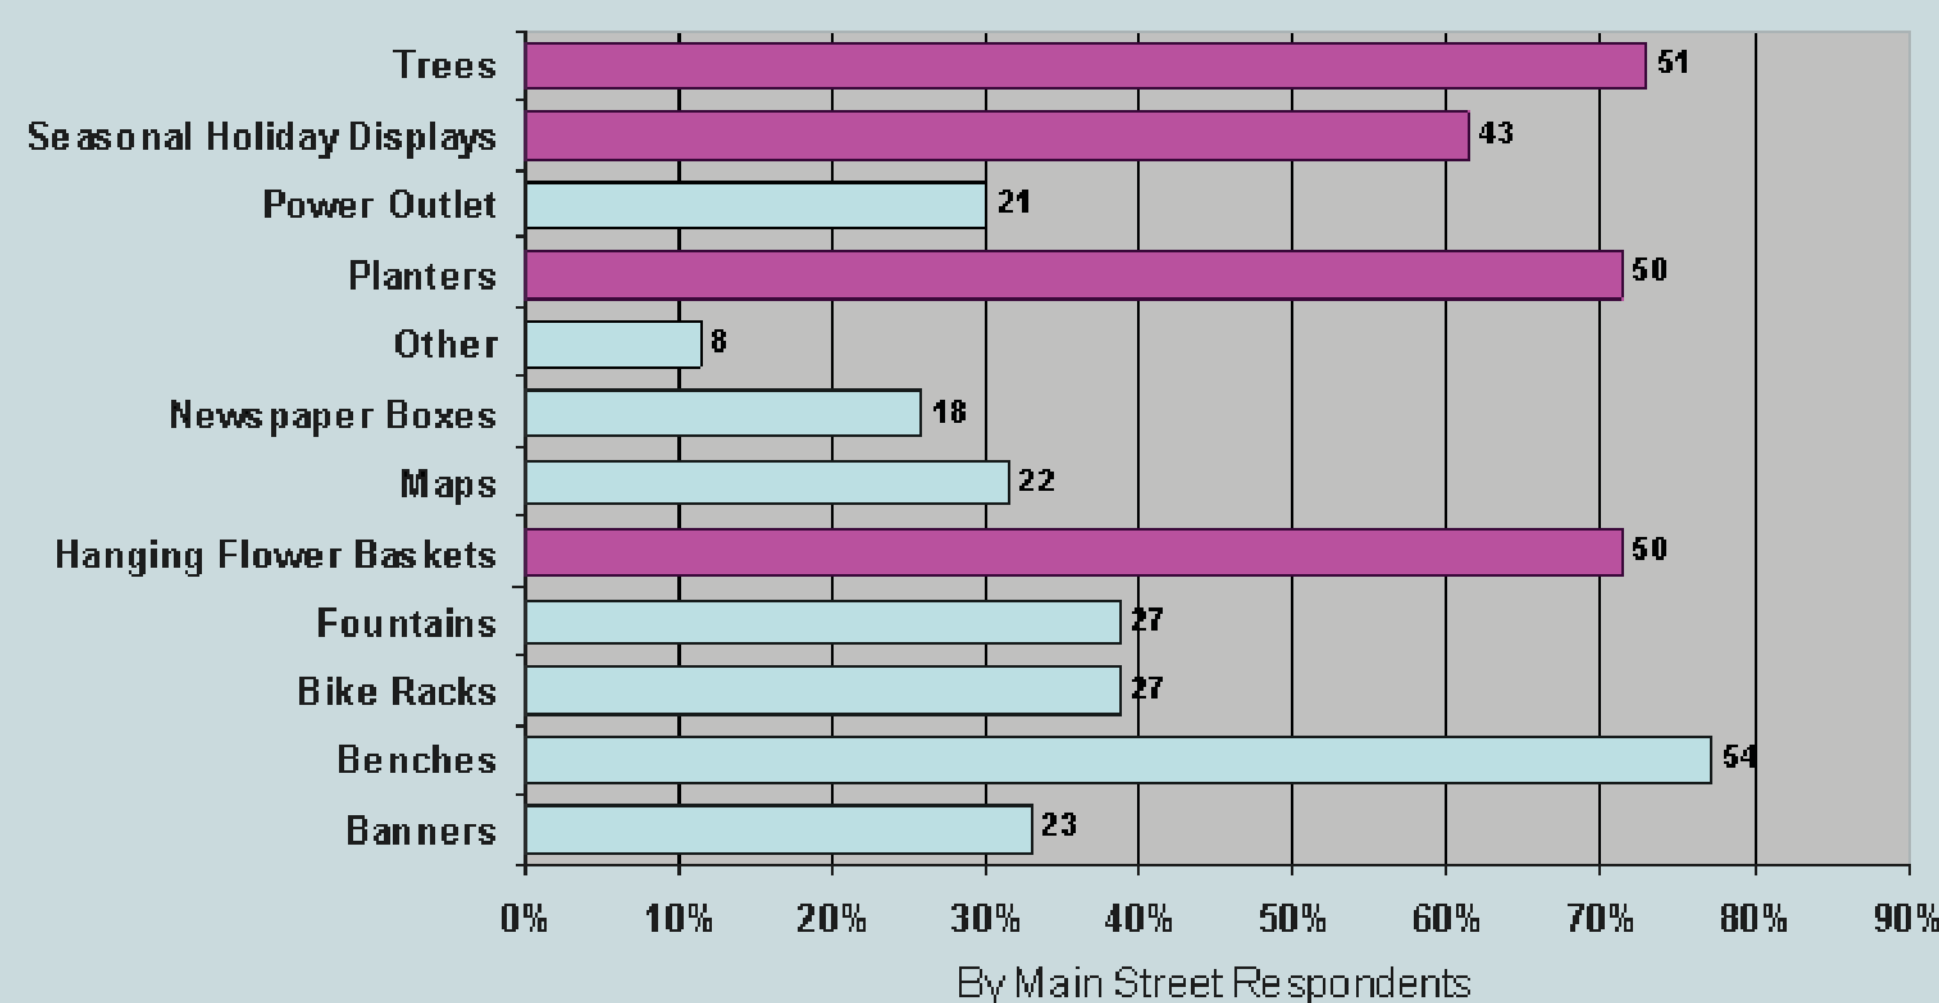

- change in scale to define unique pedestrian places

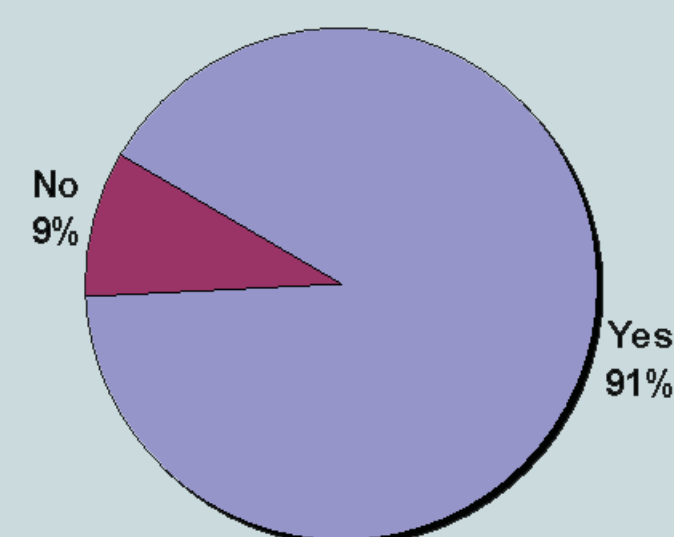

- make places for street trees and seasonal displays
- large planting beds to ensure healthy plants and reduce maintenance conflicts

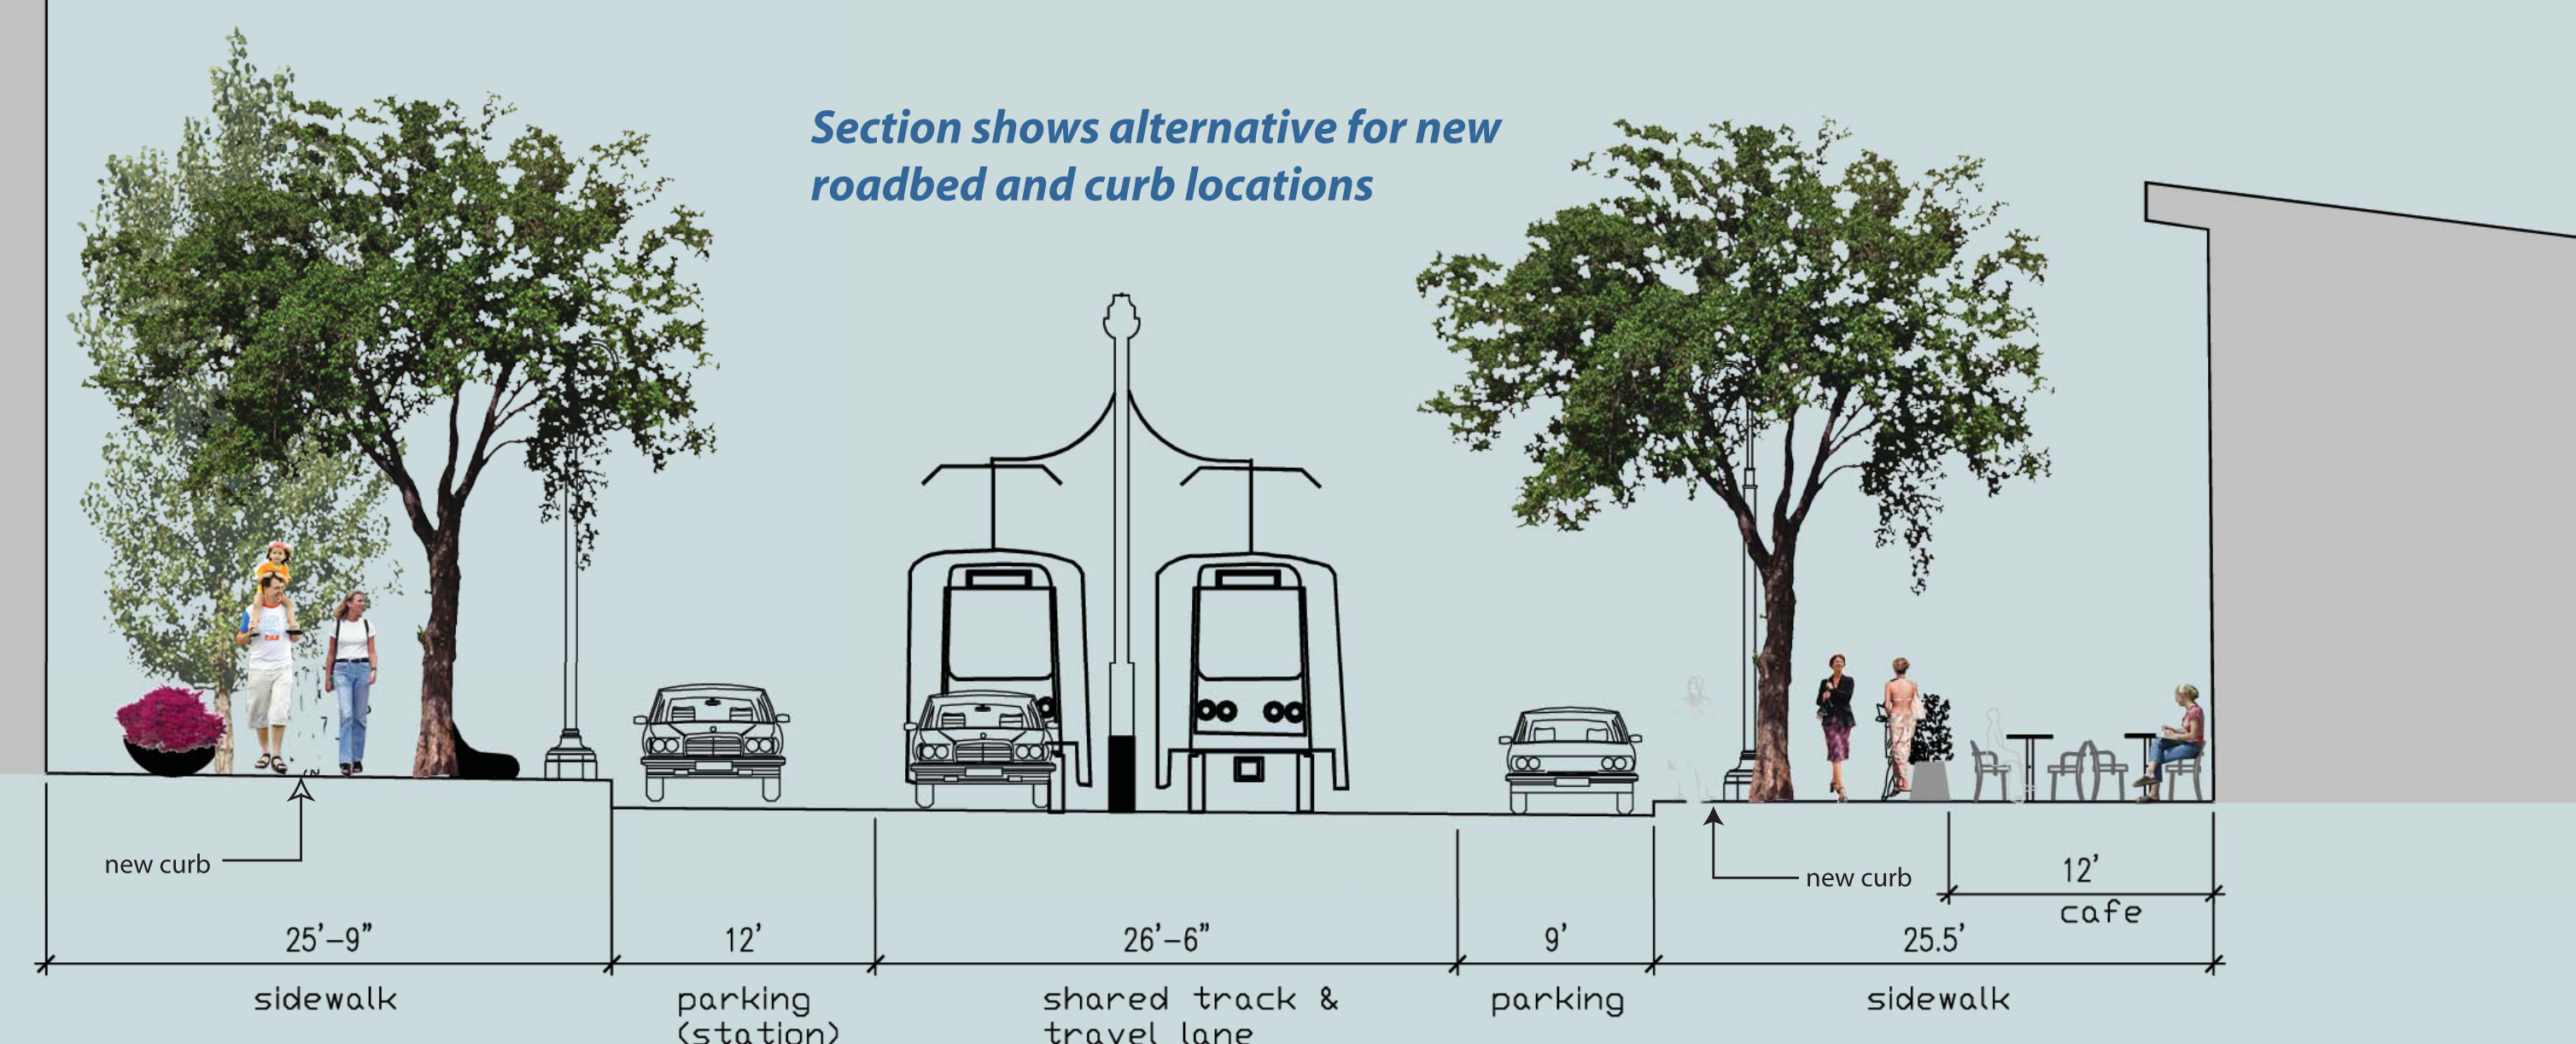

Important Public Amenities

Seasonal Displays Attract Visitors

Section shows alternative for new roadbed and curb locations
