A MESSAGE FROM THE MAYOR.....

Dear Business Owner and Senior Citizen:

We are proud to initiate this public and private partnership between the City of Buffalo, our responsive entrepreneurs and business owners, and our Senior Citizens. This effort is our combined attempt to provide some measure of assistance to those on fixed incomes, while at the same time, encouraging increased patronage for businesses located within the City of Buffalo.

The businesses listed within this booklet have committed to providing Senior Citizens identifying themselves with the "Senior Discount Card," a discount on goods and/or services ranging from two percent (2%) to over thirty percent (30%). I am asking you to do your part in this partnership; patronize City of Buffalo businesses; receive the specified discount, and help make the City of Buffalo a more senior friendly place in which to live.

Enjoy your shopping!

A handwritten signature in black ink that reads "Byron W. Brown".

Introduction:

This booklet and its' companion – the Senior Discount Card, is being provided to you by Mayor Bryon W. Brown, our local entrepreneurs and business owners, and the Division for Senior Services. We encourage you to take advantage of the numerous opportunities for saving contained within this booklet. Additionally, we invite you to spread the word to your friends and neighbors. Encourage them to utilize City of Buffalo businesses. Together, we can improve our neighborhoods, re-build our shopping districts, and help make Buffalo a wonderful place to live, work, and raise a family.

We intend to continue adding more businesses to this initial listing. As others join this effort, we will provide you with a updated list posted on the City of Buffalo's website and/or mailed to the address you provided on your application.

How to apply for the Mayor Byron W. Brown Senior Discount Card

For your convenience, the Division for Senior Services will have an application posted on the City of Buffalo's web page; on site at Lincoln Park Senior Center, Autumn Wood Senior Center, and Summer-Richmond Senior Center. We will place an application insert in the Division for Senior Services Newsletter, and periodically during the year.

Applications will also be dropped off at other area community centers, local churches, senior housing complex, and in the office at City Hall.

Business Recruitment:

An equal partner in this process are our city entrepreneurs and business owners. They have committed to providing discounts on goods and services ranging from two percent (2%) to over thirty percent (30%). If you find that a particular business that you patronize is not listed in our booklet, please let us know and we will contact them. Please support our City businesses; it is good for seniors, good for business and good for Buffalo.

Up-Dates:

The City of Buffalo is committed to making the Senior Discount Card program a success. Recruitment of businesses and of seniors will be an on-going activity. As new businesses join the program, they will be added to the listing and updates will periodically be mailed to the participants.
