2. QUALIFICATIONS FOR BIDDER.

Ordinarily, proposals are not considered from bidders on supplies, material or equipment, if the bidder or manufacturer of same is in bankruptcy, or in the hands of a receiver at the time of tendering a proposal or at the time of entering into a contract, but the Director of Purchase reserves the right to accept or reject such proposals in the best interest of the City. No bid shall be accepted from any person or corporation that is in arrears to the City upon any debt or contract.

3. CONTRACT AND BOND.

(A) The successful bidder will be required to enter into a contract and furnish a bond guaranteeing the faithful performance of the contract in the penal amount of the contract price, such bond to be executed by the bidder as principal, and by a duly incorporated company authorized to guarantee the performance of the contract and to do business in the State of New York as surety. Said bond to be approved by the Corporation Counsel as to form and by the Comptroller of the City of Buffalo as to sufficiency of the bond. The amount of the performance bond shall be based on the total amount of the contract, arrived at by the additions of the totals for all groups or units listed thereon.

(B) **ALTERNATIVES TO PERFORMANCE BONDS.** Where the cost for the purchase of materials, supplies or equipment does not exceed two hundred fifty thousand dollars (\$250,000.00), the head of the City agency charged with the execution of the contract may, in his/her discretion, waive the requirement of a performance bond and authorize instead the submission of a certified check, bank draft or letter of credit in the amount of fifty percent (50%) of said cost. Where the cost of such purchase exceeds two hundred fifty thousand dollars (\$250,000.00), the Common Council may, upon the recommendation of the head of the city agency charged with the execution of the contract, waive the requirement of a performance bond and authorize instead the submission of a bank draft, certified check or letter of credit in the amount of fifty percent (50%) of said cost.

(C) **EXCEPTIONS.** Wherever the total of items awarded to any bidder is less than \$10,000.00, purchase orders will be issued and no performance bond will be required.

This exception does not apply where a trade-in is involved. In such cases the gross total quoted amount shall be the determining figure. A bond, or other security, shall be required when the amount is \$10,000.00 and over.

4. DISCOUNT.

Bidder will please specify cash discount, if any; discount period to begin with receipt of invoice in the office of the Division of Purchase. The cash discount is not to be considered in determining the low bid, except where bids are otherwise identical.

5. PAYMENT.

Payment for material, supplies or equipment called for herein shall be made within thirty (30) days after approved completion of contract and the rendition of proper invoice to the Division of Accounting, 65 Niagara Square, Room 1214 City Hall, Buffalo, New York 14202.

6. PATENT INFRINGEMENT.

The Contractor shall agree to indemnify and save harmless the City of Buffalo, its servants, agents and employees from any and all suits or action at law or in equity, which may hereafter be brought against them or either of them, for, or on account of, the infringement, or alleged infringement, of any patent or patent rights upon or pertaining to any of the articles described herein.

7. GENERAL.

(A) The Contractor will not be allowed to take advantage of any errors or omissions. The Director of Purchase reserves the right to reject any and all bids on any or all items in the proposal and to waive any informalities. In case of error, unit price governs.

B) Should there be any question concerning these specifications, or the intent of these specifications, the prospective bidder shall apply to the Director of Purchase for such information.

(C) These regulations, specifications, invitation for bids, and the proposal are deemed to be incorporated in the contract.

(D) The Division of Purchase reserves the right to award by item, or as a whole, or to reject any or all bids.

8. TAXES.

Quotations shall not include any New York Sales Tax as municipalities of New York State are not subject to this tax. No Federal Tax of any kind shall be included unless the Federal Law specifically levies such tax against purchases made by the political subdivisions of a State.

9. TITLE.

Contractor must transfer a good and incontrovertible title to all equipment furnished hereunder free and clear of all liens and encumbrances of whatever name and nature.

10. ASSIGNMENT AND SUBCONTRACTING

Pursuant to Section 408 of the City Charter, no contractor awarded a contract pursuant to bids shall assign or subcontract any part of such contract to any person, firm or corporation by whom a proposal was submitted to the City for the same contract. In any event, no contractor shall assign, transfer or otherwise dispose of the within contract, or any part thereof, or any right, title or interest thereunder, without the prior written consent of the Director. Any such purported action without such consent shall be null and void.

11. SUBCONTRACTOR LIST.

The successful bidder shall submit a list of proposed subcontractors to the Director of Purchase for her approval and obtain her written consent thereto prior to the execution of the contract.

12. NATIONALLY KNOWN CORPORATIONS.

The Director of Purchase reserves the right to determine which corporations are to be designated as nationally known, and her decision will be final.

13. DELIVERY DATE, PENALTIES AND EXTENSIONS OF TIME.

The delivery date shall be considered by the Director of Purchase in making the award. Such delivery date shall be of the essence of the contract.

If the contractor and/or supplier fails to complete the contract within the specified delivery date or within any extensions thereof granted in accordance with this section, the City may elect to permit the contractor and/or supplier to proceed with and complete the contract, provided, however, that in any such case such permission shall not be deemed a waiver in any respect by the City of the contractor's and/or supplier's liability for damages or expenses thereby incurred by the City as a result of the failure to complete delivery within the specified time, but such liability shall continue in full force against the contractor and/or supplier as if such permission had not been granted.

In order to avoid all controversy in the determination of actual damages or expenses to the City for the delay in completion of the contract by reason of the City's election not to terminate the right of the contractor and/or supplier to proceed with the completion of the contract, the contractor and/or supplier and their surety shall be liable for and shall pay or allow to the City a sum equal to one percent (1%) of the total amount of the contract per day as fixed and agreed liquidated damages for each and every calendar day, Sundays and holidays included, after the date fixed for delivery during which time the contract shall remain incomplete, and any such damages and expenses may be deducted by the City from any payment or payments then due or thereafter to fall due to the contractor and/or supplier.

No extension of time for completion of this contract shall be granted unless the contractor and/or supplier shall make written application to the Director of Purchase no later than five (5) calendar days prior to the specified delivery date for an extension of time to complete delivery and the Director of Purchase shall have granted such extension in writing no later than the date upon which delivery was to have been made. The granting of any such extension and the length of time thereof shall be in the sole discretion of the Director of Purchase.

14. NON-COLLUSIVE BIDDING CERTIFICATION.

If the bidder is a corporation, the execution of the non-collusive certification in the form of proposal shall be deemed to include the signing to non-collusion as the act and deed of the corporation.

No bid shall be considered for an award nor will any award be made to a bidder where the proposal does not include the statements as to non-collusion as set forth in the form of proposal herein, provided however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and furnish with the bid a signed statement which sets forth in detail the reasons therefore. In such event the bid shall not be considered for award nor shall any award be made unless the Director of Purchase determines that such disclosure was not made for the purpose of restricting competition. In this connection, it should be noted that the fact that a bidder has published price lists, rates or tariffs covering items being procured or has informed prospective customers of the proposed or pending publication of new or revised price lists for such items, or has sold the same items to other customers at the same price as being bid, does not constitute, without more, a disclosure to any other bidder or to any competitor within the meaning of the non-collusive certification included in the form of proposal.

15. SECTION 220-E, Labor Law.

Every contract for or on behalf of the state or a municipality for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies shall contain provisions by which the contractor with the state or municipality agrees:

(a) That in the hiring of employees for the performance of work under this contract or any subcontract hereunder, no contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the state of New York who is qualified and available to perform the work to which the employment relates;

(d) That this contract may be canceled or terminated by the state or municipality, and all moneys due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this section of the contract; and

(e) The aforesaid provisions of this section covering every contract for or on behalf of the state or municipality for the manufacture, sale or distribution of materials, equipment or supplies shall be limited to operations performed within the territorial limits of the state of New York.
