A green banner with white text and stylized tree illustrations. On the left and right sides, there are three trees of varying heights and shades of green, with small white stars or blossoms on their canopies.

Mayor Byron W. Brown, in partnership with the Buffalo Tree Recovery Campaign, is making 500 'two gallon' potted trees available free of charge to Buffalo residents. The yard trees include: Red Maple, River Birch, White Oak, Red Bud and Hackberry species.

The Buffalo Tree Recovery Campaign, a partnership between the National Arbor Day Foundation and the New York Department of Environmental Conservation, targeted Buffalo for the tree giveaway due to the loss of many mature Ash Trees, destroyed by the Ash Borer.

**THE TREES ARE AVAILABLE ON A FIRST-COME, FIRST-SERVED BASIS. PLEASE LIMIT ONE TREE PER HOUSEHOLD.**
